Course Details

Introduction

Our courses are friendly and informative ,

They are designed to give the beginner a structured introduction to the craft of woodturning and to show what can be achieved with basic tools and equipment.

For the intermediate course this carries on where the basic course ended it is intended for turners who have previous experience in turning or have attended our beginners course and wish to expand their skills.

At the end of each course you will leave with 2 pieces of finished work which you have turned.

Refresher Course 1 Day

This course covers grinding techniques ,

General turning techniques face plate work and Spindle work,

We can tailor these refresher course's to suit your needs, please let us know if there are specific areas you would like to cover.

Course Costs

1 day course £70.00

2 day course £140.00

Courses include a light lunch, tea & coffee.

(20% Deposit required with booking form)

Accommodation can be found at:

www.visitsussex.org or by calling our Smaller User & Enthusiast Department who can supply a brochure of accommodation.
